Dear Pico,

Thank you for making our 2000 Inland Empire American Heart Walk a success. Your involvement with this year's event truly made a substantial impact. We were able to raise substantial dollar's, that will effect our communities in terms of research, education and community outreach programs. Our efforts also raised awareness for all involved regarding heart disease and stroke, still the number one killer.

The Inland Empire American Heart Walk had over 2000 walkers, stepping out and making a difference. We would like to thank *Express Blinds* for being a vendor for this event, your presence truly enhanced the day's activities. Please keep your calendar open for next year's event on September 23, 2001.

A Heartfelt Thanks,

Dianne Weiss
Sr. Corp. Events Director

Pam Poliakoff
Corp. Events Director

Serving California, Nevada and Utah

AMERICAN HEART WALK

Please remember the American Heart Association in your will.
